

# A DAY AT A GLANCE

Hustle in our  
developing  
cities

Fight Congestion &  
confusion at every  
second

Dream of escaping  
and surrendering  
completely to nature

Search for peace and  
serenity to calm  
our senses

Finally rest amongst  
loved ones in our very  
own nest

WAKE UP TO BIRD SONG,  
GO FOR MORNING WALKS WITHOUT  
THE FEAR OF OBSTACLES,  
READ THE NEWSPAPER WITHOUT  
DISTURBANCE - THESE MAY SOUND  
LIKE A DREAM TODAY,  
BUT THEY DON'T HAVE TO BE .  
WELCOME TO THE  
NEST
